- Each participant should bring a water bottle to all games and practices.
- No food or drinks other than water are allowed in the gym for games.
- Each match will last approximately 50 minutes. We will play as many games as possible in that 50-minute time-frame.
- Six players constitute a team. There are no forfeits. A team will be allowed to play with five players, but any less will require members of the opposing team to switch teams for that game.
- All players will be given an equal chance to participate.
- Regulation volleyballs will be used, and games will be played on a six (6) foot net.
- Coaches will establish a service line that encourages each server to be successful yet challenged. No more than five (5) consecutive "points" will be allowed on one serve.
- This is an instructional program, not a league. Therefore, no scores or standings will be kept or honored.
- Please be respectful of all participants, coaches, officials, and fellow spectators!
- Encourage your child to do his or her best and HAVE FUN!
